A large, vertical, 3D-style logo for ID ATHLETIC is positioned on the right side of the page. The logo is rendered in a light, metallic or reflective font against a dark, textured background that resembles a mesh or fabric. The letters are bold and blocky, with a slight shadow effect that gives them a three-dimensional appearance. The background of the entire page is a dark, textured surface, possibly a fabric or mesh, which is slightly darker than the background of the logo itself.

FULLY CUSTOMISABLE

ID Athletic specialises in providing athletes and teams with custom technical clothing that aids in performance, comfort and confidence. We consider latest fabric and style innovations and offer a full range of fully customisable options. We also offer a full range of embroidery, screen printing and heat sealing services, proving that we are your one stop shop for all apparel.
